8.00 pm.

AGENDA

**PROPOSED RESTRUCTURING OF THE 14 MEMBER
GOVERNING BODY**

At the Annual General Meeting for the past two years discussions have been held on the proposed restructuring of the Governing Body.

In 2007 the meeting discussed a proposal to enlarge the committee with the creation of a number of additional positions.

This year, the meeting discussed a proposal to reduce the committee to 7 members with a separate executive committee of club officers numbering 4.

It is intended to discuss both proposals on Tuesday 27th May and agreement reached on any restructuring of the Governing Body.
